

OUTREACH AND MISSION

Square Roots - Parish Council approved the use of our hall space once a month to run a Square Roots food security program in Fairview. The first pick-up date is November 24 from 1-4. It was incredible to find out that 40 percent of our vegetables and fruits in Nova Scotia do not meet grade or sizing requirements and that they are composted. Square Roots is a program that sells so-called ugly vegetables and fruit to community members for \$5.00 to \$10.00 for ten pounds.

Metro Turning Point - Parish Council has chosen a Halifax men's shelter for our Christmas charity. Their key suggestions are men's PJ's, housecoats, slippers, socks and notebooks. A box will be placed in our foyer for your gift. Last year we chose the Missions to Seafarers. As you know many of the men who live at Metro Turning Point are unable to live with their families due to significant suffering in one way or another.

PWRDF - As you know our Primate's World Relief and Development Fund began as a result of the Springhill Mining Disaster. We have been asked for a parish representative to receive materials and make the program visible. If you are interested, kindly speak with one of the Wardens or Rev. Marian.
